

furniture solutions

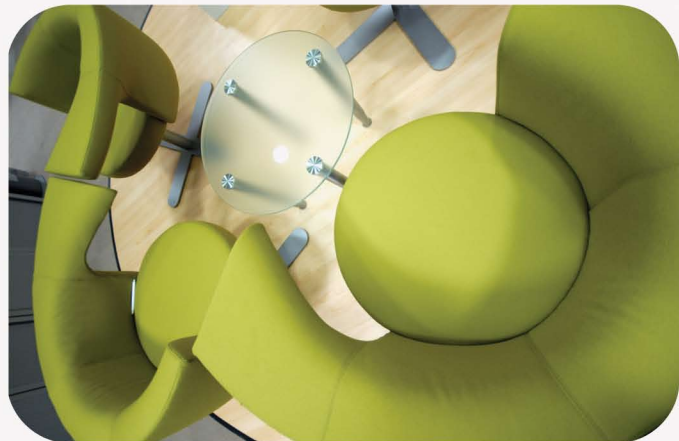

- Independent Supplier
- Contemporary & Traditional
- Turnkey Solutions

As an independent workplace furniture provider we work closely with our clients to fully understand their furniture requirements and needs.

Our independent status means our advice is truly unbiased and our buying power ensures discounts which are passed on to our clients.

From contemporary to traditional, from single one off items to complete turnkey solutions we deliver cost effective and objective solutions.

Our designers knowledge and experience means we can procure the right style, look and functionality to suit your business at highly competitive rates to ensure tight control of expenditure and resources.
