

removals

- Removals
- Crate Hire

Removals

Our dedicated and experienced Project Managers will oversee your relocation from initial enquiry to completion and post move support. Services include:

- Furniture and Storage Audits
- Space Planning
- De-commissioning, relocation and re-commissioning of IT systems and hardware

Crate Hire

- Comprehensive and adaptable crate hire giving security of IT equipment and personal belongings
- We remove from site in a careful and timely manner. All crate movements are accurately recorded and we keep you up to date with any outstanding crate hire in a format appropriate to you
- We supply labels, security ties, roll cages, bubble wrap and bags
